#### DK

Foxtrot er en sofaserie med løse sæde-, ryg- og armhynder udført med en let åben armprofil som giver et blødt og imødekomende udseende. Foxtrot leveres med ben i børstet rustfrit stål, bøg ubehandlet, sæbebehandlet og lakeret samt i eg sæbebehandlet og olieret. Benene kan ved bestilling placeres under arm eller under sædet. Modellen kan fås med tilvalg af keder og stålbro – lakeret eller for-kromet.

#### GB

Foxtrot is a series of sofas with loose seat, back and arm cushions designed with an open arm profile that gives the model a soft look. Foxtrot is delivered with brushed stainless steel legs, beech untreated, soap treated or lacquered and also in oak oiled or soap treated legs. Placement of the legs can be under the arm or under the seat. Foxtrot is also available with piping's on all cushions and a fancy aluminum-lacquered metal bar or chromed metal bar.
